Enjoy dinner this night at one of the incredible on-site a la carte restaurants.

**Days 2-3:** Enjoy 2 free days in Cancun. Start your day with delicious buffet breakfasts, then spend time in Cancun as you wish. Perhaps chill by the magnificent infinity pool, located in front of the beach and bask in the warm Mexican sun while the excellent entertainment crew amuse you throughout the day. You also might like to explore the local area. Playa Caracol is less than 10 minutes' walk away, and is a beautiful beach boasting turquoise water and soft, white-sand. Alternatively, the hotel beach has a VIP area for you to use, where both Balinese and beach beds await.

**Day 4:** Today, you'll embark on a full day tour of Chichen Itza and Cenote Maya. You'll be picked up at the hotel by air-conditioned minivan at 6am and will firstly head to Chichen Itza - you'll be one of the first to arrive, so will avoid both the crowds and extreme heat. You'll take a guided tour of this archaeological site, experience the legendary Mayan ruins, and learn all about the Mayan people and their influence on Mexican culture. You'll then head to Cenote Maya Park and experience the authentic Mayan culture before taking a swim in an underground Cenote that is 197 feet wide, perhaps trying out the Tarzan Swing if you are brave enough. Here you'll enjoy a traditional buffet lunch prepared with organic vegetables with an authentic blessing ceremony. You'll be transferred back at your hotel and, this evening, enjoy dinner and drinks in one of the all-inclusive restaurants.

**Day 5-6:** Enjoy 2 free days in Cancun. The all-inclusive breakfast is sure to fill you up before another day in paradise. You can spend today checking out the hotel's facilities, including a fully equipped gym and the NYX Cancun Spa, offering massages and reflexology, guaranteed to make you feel zen. Visit downtown Cancun for a taste of local culture, delicious street food, and small, unique shops. You may also wish to visit Mercado 28 (Market 28), a huge shopping centre in downtown Cancun that isn't your typical mall, instead is a giant flea-market boasting approx. 600 vendors. Dinner will be served in the hotel, you can perhaps try Unami, a fantastic gastronomic experience where guests watch chefs prepare their dishes directly on teppanyaki griddles.

**Day 7:** Tuck in to an early breakfast before getting picked up at 8am to head on your 2 day guided Tour of Isla Mujeres on a Catamaran & the Tulum Mayan Ruins – two of the most popular activities in Cancun. On day 1, you'll visit Tulum Archaeological Site. As a crucial part of the Mayan culture, you'll learn everything about what made the city so important, and with temples scattered throughout the city, the tour will be both an educational experience and an incredibly interesting tour of the region. You'll also visit Parque Dos Ojos and take a refreshing swim in the waters of Nicté-Ha Cenote at Dos Ojos. Here you'll enjoy a scenic lunch while also learning all about one of the biggest underground water networks. You'll be taken back to your hotel to enjoy dinner and prepare for day 2 of your tour.

**Day 8:** Fuel up on your all-inclusive breakfast before joining day 2 of your tour at 8am. Today you'll visit Museo Sabacuatico de Arte AKA the Underwater Museum of Art, home to over 500 life-size sculptures. The aim of the museum is to promote coral life conservation, and is a wonderful way to spend your morning. You'll then board your double decker catamaran to discover the magnificent Isla Mujeres, where you'll have the chance to enjoy lunch, snorkel, relax, and explore the idyllic main town. Finally, you'll visit Playa Norte, known as one of the most beautiful beaches in Mexico, and sit back and relax next to the pristine, turquoise waters. You'll then be transferred back to your hotel, to enjoy the rest of your night at leisure, perhaps trying one of the hotel restaurants you may not have visited.

**Day 9 – 10:** Enjoy 2 free days in Cancun. Thanks to the variety of restaurants in the hotel, you'll be spoiled for choice for lunch and dinner options, whether you fancy Italian dishes and wine or authentic Mexican cuisine. Today you may like to visit Torre Escenica (Cancun Scenic Tower), which offers amazing views of the Caribbean coast and beautiful Cancun itself, and is open 9am-9pm every day. You'll hear all about the history of Cancun as the tower slowly spins 360°, giving you a bird's eye view of the city below.
